Re: Hosting an Internship Placement Student

We would greatly appreciate it if you could consider hosting our student **Jason PANGESTU** (Student ID: 104404033) as an industrial trainee at your esteemed organisation. The student is currently undertaking the **Bachelor of Computer Science (Artificial Intelligence)** at **Swinburne University of Technology Sarawak Campus**. The available placement period runs from **21 December 2026 to 26 February 2027**. To meet the 8-week minimum requirement, the student must start no later than 1 January 2027. Once the semester resumes in March, the student is required to return to campus to continue their studies.

Swinburne University of Technology Sarawak Campus is an international branch campus of Swinburne University of Technology, Melbourne, Australia. At Swinburne, every learner gets a work experience, and our vision is to provide our students with a series of scaffolded, interdisciplinary Work Integrated Learning (WIL) internship experiences. We are committed to transforming the future of education by providing our students with a professionally focused learning experience that allows them to put learnt theory into practice. This prepares them for their career and successful employment and offers the industry a pool of talented and highly skilled human resources.

Please note that Swinburne students on internship are covered under the Group Personal Accident Insurance from MSIG Insurance (Malaysia) Berhad, subject to the policy's terms and conditions. Host companies are also not required to apply for a working permit or employment pass for our students undertaking internship placements.

Should you have any questions, kindly refer to the following WIL conveners according to the student's programme of study:
